## **RECIPROCITY POLICY**

The Quinnipiac University School of Law (“QUSL”) Career Development Office provides reasonable access to resources to students and graduates of other law schools as follows:

1. Resources in our office are available only to students and graduates of those law schools that allow Quinnipiac School of Law students and graduates use of their facilities and will be provided on a one-to-one basis; reciprocity is not available to those students/graduates from schools which have restricted our students/graduates from using their career services. The QUSL Career Development Office reserves the right to modify its reciprocity policy if the requesting school has a more restrictive policy and to keep pace with the employment demands of the legal community.
2. Reciprocity is available throughout the year except during our Quinnipiac Coordinated Interview Program, typically between June 1 – July 31; and September 1 - November 30.
3. Requests for services must be made in writing by a placement or career counseling official. Walk-in requests will not be honored. Requests may be emailed to: [Joeylynn.Darius@quinniac.edu](mailto:Joeylynn.Darius@quinniac.edu).
4. Services are available for a three-month period, commencing with the date reciprocity is granted.
5. Reciprocity may be extended by another letter from the graduate’s/student’s career office only if such services have been extended to a Quinnipiac School of Law student or graduate.
6. Information pertaining to current position vacancies listed with the Career Development Office is restricted to those students and graduates of other eligible law schools that allow in-kind access to Quinnipiac School of Law students and graduates.
7. In all cases, students and graduates from other institutions requesting reciprocal services will not be permitted to participate in the Quinnipiac School of Law on-campus interview program (Quinnipiac-Coordinated Interviews or “QCI’s”).
8. Reciprocity will not include career counseling or document review.
9. The Director of Career Development may deny further services to any individual school seen to surpass a reasonable number of requests within a given year or to anyone who abuses this policy.
